Name: ___________________________   Date: ___________________________

Name two towns Owney visited in the state of Tennesse

**HINT** Two are named in the song.

________________________________________________________________________

________________________________________________________________________

Copy a headline from Owney’s visit to Southern California.

**HINT** The song mentions Pasadena, but is there a newspaper from there? Look at the nearby markers in Los Angeles and Santa Ana.

________________________________________________________________________

________________________________________________________________________

Owney collected tags from the South (Georgia), the North (Minnesota), the East (New Hampshire) and the West (Montana).

Can you find them on the map (www.npm.si.edu/owney/#map) and draw two of them in the spaces provided?

________________________________________________________________________

________________________________________________________________________

Now write down what you want the rest of the class to find on the map!
