Stamps of the American Quadrant of Antarctica and the South Atlantic Islands
Jack Child, American University
30 September 2010
Introduction

What’s old

What’s new
The view from the North
The view from the South
Geopolitical thinking in South America: the link to the military
Geopolitical thinking in South America: but more than the military
Geopolitical thinking in South America: threats from outside. Shrinking
Geopolitical thinking in South America: justifications for “recovery”
Geopolitical thinking in South America: the advantages of propinquity: Chile and the Shackleton rescue
Geopolitical thinking in South America: the advantages of propinquity: Argentina and the Bruce Base
Geo-political thinking in South America: Argentina and the Bruce Base

How we know they were Scotch?
Geopolitical thinking in South America: Argentina and the Bruce Base

How we know they were Scotch?
Geopolitical thinking in South America: the advantages of propinquity: Punta Arenas, Ushuaia, Port Stanley
Geopolitical thinking in South America: the advantages of propinquity: the air strip at Chile’s Marsh base
Geopolitical thinking in South America: the return of democracy
Geopolitical thinking in South America: the role of the military in Antarctica
Geopolitical thinking in South America: the link to the military
The start of the Antarctic and South Atlantic “stamp war”: the 1933 Falklands Centennial issue
The start of the Antarctic and South Atlantic “stamp war”: the 1933 Falklands Centennial issue
The start of the Antarctic and South Atlantic “stamp war”: the 1933 Falklands Centennial issue
The start of the Antarctic and South Atlantic “stamp war”: the Argentine response
The start of the Antarctic and South Atlantic “stamp war”: Chile joins in
Argentina and Antarctica: “conciencia antártica”
Argentina and Antarctica: the link to Malvinas
Argentina and Antarctica: “Tri-Continental Argentina”
Argentina and Antarctica: “With borders” Protests
Argentina and Antarctica: Solution: no borders
Argentina and Antarctica: Peron’s addition
Argentina and Antarctica: Malvinas the “great national project”
Argentina and Antarctica: the Antarctic bases
Chile and Antarctica: The land of “crazy geography”
Chile and Antarctica:
Presidential interest and geopolitics
